## UNC Greensboro Suggested Degree Plan

**Associate in Applied Science (A.A.S.) to Bachelor of Science (B.S.) in Birth-Kindergarten Teacher Education or Human Development & Family Studies**

The Associate in Applied Science degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Students are encouraged to complete associate degree requirements with courses that are approved for transfer through the Early Childhood Articulation Agreement (ECAA).

Community college graduates must obtain a grade of “C” or better in each course and an overall GPA of at least 2.0 on a 4.0 scale to transfer to UNC Greensboro with a junior status. Due to the nature of the Human Development and Family Studies curriculum, students can expect 2-3 years at UNC Greensboro to complete a Bachelor of Science degree.
