Exam Times for Other Meeting Periods

Classes that meet outside of the standard meeting time structure may experience difficulty scheduling final exams, and reserving classrooms for those exams.

Exams for **online** asynchronous (ASYN) courses (except for common MAT courses listed above) are scheduled for Saturday, December 2 and Wednesday, December 6 from 12NOON to 3:00 P.M. This exam block may be used by courses in online degree programs, but it is not mandatory. Exams in these programs are scheduled at the discretion of the instructor but must be completed by 10:00 P.M., December 7, 2023.

Courses meeting one hour or two hours per week will follow the examination schedule for the MWF or TR sequence.

Evening classes (beginning at 5:00 P.M. and later) that meet once each week in three-hour blocks will have the examination during exam week at 7:00 P.M. on the first regular class day. For example, if your class normally meets on Tuesdays from 5:00 to 7:50, your exam will be held on Tuesday, December 5, at 7:00 P.M. Instructors: Please check to make sure a classroom is available.

Courses meeting in the three-hour block scheduled from 2:00 to 4:50 will follow the appropriate sequence on MWF or TR. Note that this schedule structure may cause classroom conflicts on exam day.

Classes meeting on Saturday morning only will have the exam on Saturday, December 2, from 8:00 to 11:00 A.M.

The lecture period of a laboratory course will determine the examination time.

Kinesiology (KIN) activity courses will follow the above examination schedule.

If you have any questions about the examination period for a course meeting time not listed, please contact the University Registrar's Office at 334-5946 or via e-mail at registrar@uncg.edu.

Students with more than two examinations within 24 hours may apply to the University Registrar's Office, 180 Mossman Building, for permission to change their exam schedules. The usual policy is to change the middle examination in a sequence of three. Requests must be filed **by 5:00 P.M., November 29, 2023.**
