

Suppress or Revoke Suppression of Directory Information

- Student must provide a government-issued photo ID.

- Suppress Information**—I request that my directory information be suppressed. I understand that this information will neither be published in the *Online Directory* nor in the *Commencement Program* upon my graduation, nor released to any outside agency for any reason. I further understand this information will still be provided to any UNCG official in conjunction with legitimate educational interest.
- Revoke Suppression**—I hereby authorize the revocation of the suppression of my directory information. I understand that this information may now be published in the *Online Directory*, the *Commencement Program*, and released to outside agencies.
